Re: I79-255 (R78-117)

Dear Mr. Nicholls:

You have requested our opinion regarding the proper division of jurisdiction over the selling of mobile homes attached to real estate as between the Arizona Real Estate Department and the Division of Mobile and Manufactured Housing Standards.

We are unable to answer your request because there is litigation concerning this matter currently pending in Maricopa County Superior Court and it is the policy of this office not to address issues when litigation is pending.

If we can be of further assistance, please let us know.

Sincerely,

A handwritten signature in cursive script that reads "Bob Corbin".
